

Print out your favourite coloured butterfly or colour your own using our template below.

Print this document double sided in pairs 1-2, 3-4, 5-6, 7-8 or 9-10 depending on the butterfly you want. Then cut around the black square to make it the correct size.

For the dark blue butterfly print pages 1-2.

**Instructions**

Step 1: Write a message on the back

Step 2: Start with the coloured side up. Fold in half both ways

Step 3: Turn over and fold diagonally both ways

Step 4: Bring the middle lines together at the bottom

Step 5: Fold the upper layer only so it lines up with the blue triangle.

Step 6: Turn it over and fold the corner over the long edge

Step 7: Fold the butterfly in half
