The School

Monkton places thinking differently at the heart of its strategic vision. We are already one of the country's best known smaller boarding schools and pride ourselves on our size meaning you can really get to know all of the pupils and serve as a full part of our community. We are a Christian school with worldwide connections and interests, and have a strong reputation for pioneering and proactive pastoral care.

A single board of Governors oversees the entire School (Prep and Senior) and Monkton is a registered charity and is incorporated as a company limited by guarantee. The Principal acts as both the Head of the Senior School and as the CEO of the group of schools.

The Senior School enjoys a very attractive rural location in the Monkton Combe valley some two and a half miles south of the historic city of Bath. Nearby in Combe Down is Monkton Prep School.

The Senior School and Prep School have a strong boarding tradition; however, day pupils comprise one third of the intake of the Senior School and are in the majority in the Prep School. Since 1992 when it merged with Clarendon School for Girls the school has been co-educational with three boys' boarding houses and three girls' boarding houses in the Senior School.

The Senior School buildings are, in many cases, formerly privately owned converted houses, in the village. There are also many purpose-built teaching areas including the £4.5 million extension of Maths & Science departments, a completely remodelled £3.5m Music department and the significant enlargement of the Art and DT departments. The School has two boathouses on the River Avon and extensive playing fields. Some staff live in the valley in school accommodation.
